

Friends for the East Cobb Park Tree Donation / Sponsorship

Option 1: New Donation Tree

- A tree may be donated any time of the year; however it will only be planted during the tree planting season (late October through early March).
- This application includes a “FECP Tree List” which has tree species from which to choose.
- Friends for the East Cobb Park will provide and Cobb County Parks, Recreation and Cultural Affairs (CCPRCA) will plant the selected tree. For your \$1250.00 donation, FECP will provide a high-quality tree, which is 8 to 12 feet tall, and at least 2” caliper will be planted and maintained by CCPRCA. An engraved rock plaque will be installed at the base of the tree.
- The exact location of the donated tree within the park is at the discretion of FECP/CCPRCA, although every effort will be made to honor the donor’s request for placement. A FECP representative will meet donor on-site to confirm existing tree and plaque location.
- FECP provides a three year warranty on donated trees. If the tree dies within three years from the time it is planted, FECP will make every effort to replace the tree with a tree of the same size and species.
- The donor will be contacted after the tree has been planted and plaque has been placed.

Option 2: Sponsorship of Existing Trees

- There are many mature trees within East Cobb Park, which can be sponsored for \$600.
- This option also includes installation of an engraved rock plaque. A FECP representative will meet donor on-site to confirm existing tree and plaque location.
- The donor will be contacted after plaque has been placed.
- No warranty for existing trees will be provided.

Friends for the East Cobb Park Tree Donation / Sponsorship

Complete the application and mail along with a check made payable to **Friends for the East Cobb Park**, 1205 Johnson Ferry Rd, Ste #136, PMB 119, Marietta, GA 30068-5401
